## Notice of Participation

Welcome to the 16<sup>th</sup> Asian Physics Olympiad (APhO2015)!

According to the statute of the APhO, each team should consist of not more than eight students at High School level who do not exceed age twenty on June 30, 2015, and two leaders with expertise in physics and good command of English.

The Organizing Committee of the 16<sup>th</sup> APhO (APhO2015) will be responsible for local expenses including food, shared accommodation and transportation from May 3<sup>rd</sup> through 11<sup>th</sup>. Travel costs to and from Hangzhou are borne by each participating delegation. As an established custom in the APhO and for the long-term development of APhO, each participating team is expected to contribute a voluntary fee of US\$1,000 (One thousand US Dollars).

We also warmly welcome observers and visitors to accompany their own team. Observers and visitors will be charged US\$1,200 (One thousand two hundred US Dollars) each and they will be provided with shared accommodation and local hospitality.

Should any leaders, observers or visitors wish to have single occupancy-accommodation, a surcharge of US\$400 (Four hundred US Dollars) will be applicable.

For more details please visit the official website of APhO2015 @ and please also feel free to contact Prof. Zheng-Mao Sheng, the coordinator of the Organizing Committee of the 16<sup>th</sup> APhO (APhO2015).
