First Circular for the 16th Asian Physics Olympiad in 2015

Dear Friends:

The 16th Asian Physics Olympiad (APhO) will be held in Hangzhou, Zhejiang province, China from 3rd May to 11th May, 2015. This is the first circular sent from the Local Organizing Committee of APhO2015. We are now in the progress of sending out the official invitation to participating countries and regions. We therefore ask you to inform us the mailing information of your Minister of Education or equivalent education authority. We need to have his/her exact name, title, and mailing address. Would you please complete the following form of requested information and return it to me (preferably by e-mail) as soon as possible? (Please no later than the 20th December, 2014.) A copy of the official invitation letter will also be sent to the indicated contact person.

According to the Statutes of APhO, each country or region may send a team consisting of eight students at most and two accompanying leaders. The travel costs to and from Hangzhou are the responsibility of each participating country. Once the team arrives, all costs of food, accommodation, and transportation associated with the Olympiad are the responsibility of the Organizing Committee. As an established custom in the Asian Physics Olympiads, each participating country is encouraged to contribute a voluntary fee of US\$1,000. We warmly welcome the observers and visitors from all countries who accompany their delegations. Observers and Visitors will be charged US\$1,200 (one thousand two hundred US\$) each and they will be provided with shared accommodation and local hospitality.

We warmly welcome a team from your country/region to participate in the 16th APhO (APhO2015). Please feel free to contact me if you have any question. We are looking forward to hearing from you.

Sincerely yours,

Zheng-Mao SHENG
Professor, Department of Physics
Zhejiang University
Hangzhou 310027,
China
